## LET IT GO

**If you want to become a part of the shooting star dream team, please read on.....**

One of my dearest freinds named Lara, surprised me by starting an email chain and became the first member of the **Shooting Star Dream Team**. She sent all of her friends a message about my music and encouraged them to send my link to their friends.

I never imagined that someone would do that. My dream is to spread my music around the world, and Lara helped to start making that dream come true. With her chain letter, I am already being heard in many places all over the United States and in Europe.

My hope is that with help from others, I will achieve my goal of helping others to be inspired to follow their dreams and reach for whatever shooting star they desire. I believe it is so important for women to support each other, and want good things for one another. I also value equally the man that empowers the women, that surround him, and value their contributions.

Following is the letter Lara sent...

*Some of you know Alexis personally or know her as my long-time childhood friend. If you are familiar with Alexis you know she is an incredibly gifted artist, musician and song-writer. She has just released her second CD and I encourage you all to check it out! You can visit her "MySpace" page at [www.myspace.com/alexisvear](http://www.myspace.com/alexisvear) to listen to some tracks, and visit her webpage at [www.alexisvear.com](http://www.alexisvear.com) to learn more about her work. If you want to hear more, and I know you will, you can go to iTunes and buy downloads, or purchase a hard copy at CDbaby.*

*You should know she dedicates her CD to all the woman in the world searching for, or living their dreams, and to all the men that support them. Also, a portion of the net proceeds will go to organizations, foundations, and institutions that spread peace, hope, and love through out the world using educational and creative endeavors.*

*Thank you for giving a listen, and I hope you enjoy her music! She is a fantastic soul! If you are as moved as I, send a link to all of your friends.*

*Lara*

If you what to be a member of the **Shooting Star Dream Team**, please copy and paste, and edit the letter above and send it to all of your friends. Someday, I want to be on Oprah, and say it was because of the help of all of you that got me there.

Thanks again for reading this letter, and let's ride this ROCKet of music together all over the world!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

**Love,  
Lex**
